Christchurch's home of hospitality at Christmas

At The Oxford Group we know how to throw a damn good Christmas party, after all we have been in this game for a few years. We do this almost every night of the week across our diverse venue portfolio.

We can guarantee a good time no matter what size. From small and private corporate dinners, cocktail classes to one-of-a-kind events to remember and after parties.

We are in the business of making memories.

We understand no two events are the same so instead of covering off every possibility in here, please have a chat with us and we can tailor make your event experience.

Trust us, no request will be too wild or too hard!

In need of some great live music? No problem, we have access to some of the best bands, DJs and performers in Christchurch to help bring your event to life.

Fat Eddie's

Fat Eddie's is New Zealand's favourite jazz club, in the heart of Christchurch's CBD. We're into staying up late on the banks of the beautiful Avon River. Fat Eddies is always the go-to location for a guaranteed great time.
